# Međunarodni SIMPOZIJUM stomatologa i saradnika

Novi Sad, 31.03. i 01.04. 2023. god.

## Dijagnostički i terapijski principi u stomatologiji I i II

Poštovane kolege,

Izuzetno mi je zadovoljstvo što mogu da Vas pozovem da uživo prisustvujete Međunarodnom Simpozijumu koji će se ove godine održati kao hibridni događaj, delom u centralnoj zgradi Rektorata Univerziteta u Novom Sadu, 31.03. i 01.04. 2023. godine, a delom preko našeg sajta [www.simpozijumstomatologa.rs](http://www.simpozijumstomatologa.rs)

Simpozijum će biti ispraćen bogatom izložbom stomatološke opreme i materijala. Registraciju za učešće i sve dodatne informacije možete pronaći na našoj web stranici!

Predsednik Organizacionog odbora  
Prof. dr Tatjana Puškar

Mesto održavanja dela Simpozijuma koji se odvija uživo je Zgrada Rektorata Univerziteta u Novom Sadu, Dr Zorana Đinđića br 1, Novi Sad

Registracija i deo Simpozijuma na sajtu

[www.simpozijumstomatologa.rs](http://www.simpozijumstomatologa.rs)

Petak, 31. mart 2023. god.

## Dijagnostički i terapijski principi u stomatologiji I

Moderatori (prepodne): Prof. dr Larisa Blažić & Prof. dr Aleksandra Maletin

Moderatori (popodne): Prof. dr Duška Blagojević & Prof. dr Ivana Stojšin

- 09:00-11:00 **Prijava učesnika**
- 11:00-11:10 **Svečano otvaranje**
- 11:10-12:00 **Bioactive materials in dental pulp therapy**
